GO_Biological_Process_2021
microtubule cytoskeleton organization involved in mitosis (GO:1902850)
mitotic spindle organization (GO:0007052)
mitotic sister chromatid segregation (GO:0000070)
mitotic chromosome condensation (GO:0007076)
kinetochore organization (GO:0051383)
chromosome condensation (GO:0030261)
centromere complex assembly (GO:0034508)
mitotic nuclear division (GO:0140014)
anaphase-promoting complex-dependent catabolic process (GO:0031145)
sister chromatid segregation (GO:0000819)
